

## A Parisian Affair with Guest Chef James Henry

To keep you au fait with the French culinary world, TRB is starting spring by bringing **Chef James Henry** from *Bones* in Paris as our first Guest Chef Program collaboration of 2015.

After moving to Paris in 2010, Australian Chef James made his French culinary debut at *Spring* by Daniel Rose before making a name for himself crafting trendsetting dishes in his year as head chef at *Au Passage*.

Seeking to blend a comfortable atmosphere and zesty cooking with a modern, raw edge, Chef James followed his ambition and opened *Bones* in 2013. With sleek stone walls, a built-in bar and a unique ambiance, the 11<sup>th</sup> arrondissement venue immediately became a favorite bistro of young adults and critics alike.
